## Uber Driver Requirements

- Meet the minimum age to drive in your city
- One year of licensed driving experience in the US
- Have a valid US driver's license
- Use an eligible 4-door vehicle

Dreams about driving a car are said to represent you being in control over the direction you're heading in your life. They may be exciting and fun or even frightening, depending on the context.

Uber riders love when their pick-up and drop-off is easy and timely. In fact, Uber lists being on time as one of the most important tips to becoming a five-star rated driver.

Driving for Uber is often presented as an easy way to make money: Sign up, then drive. But the reality is not that simple. You need to meet certain age, vehicle and insurance requirements, and pass a background check — which can take a few weeks — before you can start earning.

Dreaming about someone could be more personal than you might expect. However, more often than not, the people you see in your dreams are reflections of yourself, something you might be aware of or not.

Drivers know passengers use Uber and Lyft to avoid drinking and driving, but drunken belligerence won't be tolerated and there's a hefty fine for being sick in the ride-hailing vehicle. On a related note, **have respect for the driver's car.**

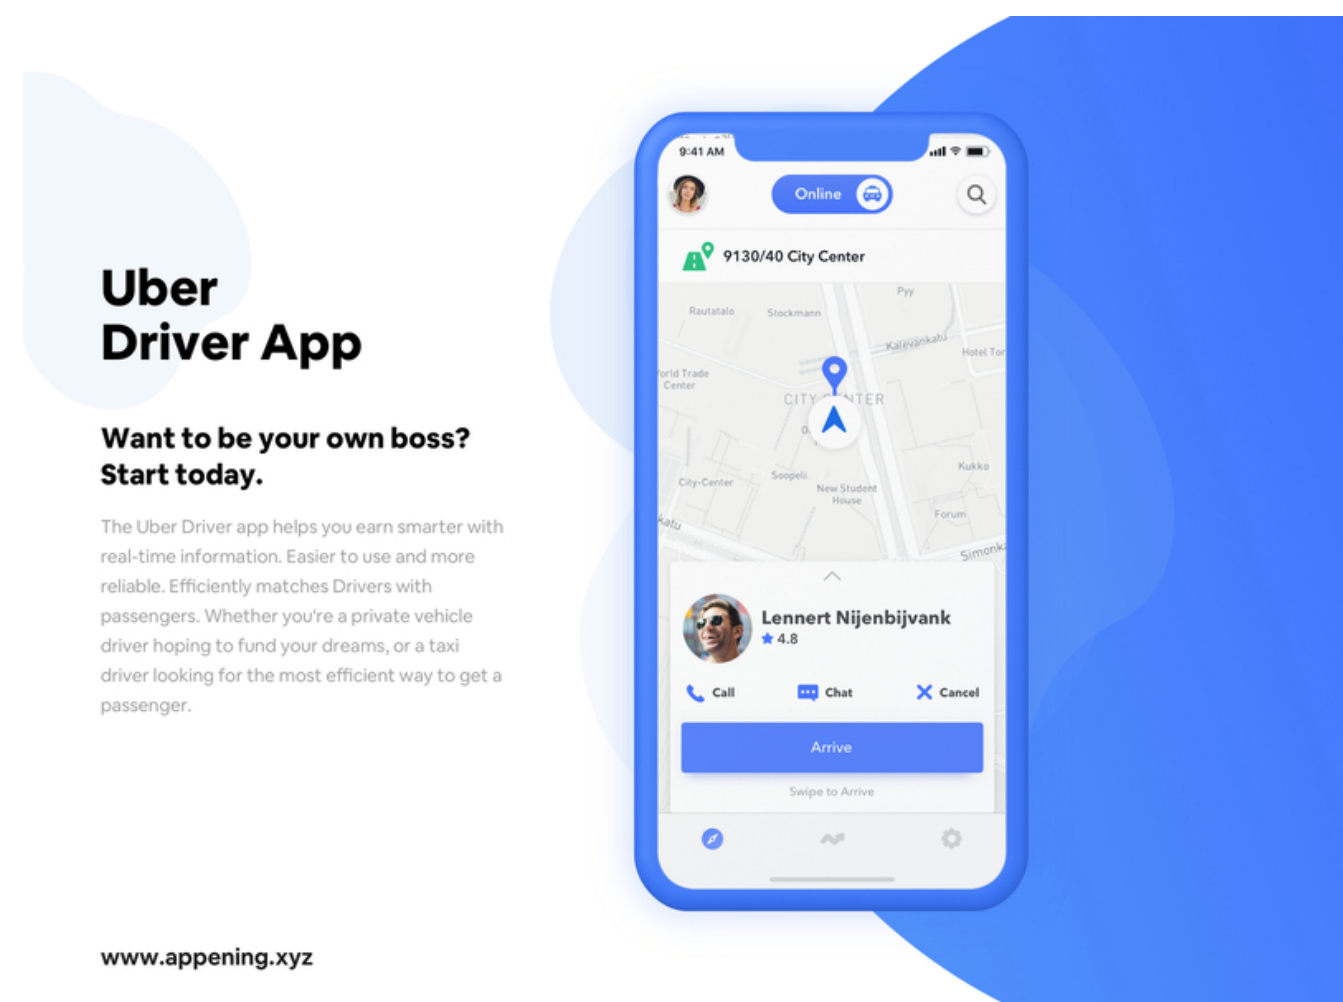

## UBER

### UBER rideshare driver

Uber is a multinational transportation network company that operates a ride-hailing platform. It was founded in 2009 by Garrett Camp and Travis Kalanick and is based in San Francisco, California. Uber provides a convenient way for individuals to request rides from drivers who use their own personal vehicles.

Your profile photo is a picture of your face that every customer will see before and during the trips and orders. It's important that this photo is clear and visible so the customer is able to identify that you are the correct driver or delivery person.

They may fear animals, places or people. Fear of the object or situation is so severe that a person may experience physical symptoms and panic attacks. Fears may include dogs, blood, storms, spiders or other objects or situations but, in all cases, the anxiety is both excessive and interfering

Uber drivers safely transport passengers between places in their own vehicles. They are free to set their own working hours. To be a good Uber driver, you need to be a conscious, confident, and skilled driver, who is always dependable, never late, and a great communicator.

Keep conversations casual and friendly with customers, riders, merchants, and one another. Don't ask personal questions or act aggressively toward others.

Fear can interrupt processes in our brains that allow us to regulate emotions, read non-verbal cues and other information presented to us, reflect before acting, and act ethically. This impacts our thinking and decision-making in negative ways, leaving us susceptible to intense emotions and impulsive reactions.

Behaviour is affected by factors relating to the person, including: physical factors - age, health, illness, pain, influence of a substance or medication.
